

Football Comprehension

What do you know about football?

Football is a sport played with a round ball. Each team has eleven players and the aim of the game is to score goals by kicking the ball into the opposing team's goal.

Only one special player in each team is allowed to touch the ball with his hands. This player is called the Goalkeeper.

All other football players have to kick the ball with their feet. They wear special shoes called 'football boots' to help them kick the ball.

Each team wears their own special shirt. This shirt is called a football kit.

Every football game is controlled by a Referee. The referee has a whistle and makes sure that players do not cheat, and keep to the rules of football at all times.

Football players get better and better by practicing more and more. The more they practice, the better they get.
