SECTION TWO GFA DISCIPLINARY BODIES

2. General Provisions

- 2.1 The bodies subject to these Disciplinary Regulations are not courts of law and are disciplinary, rather than arbitral, bodies. In the interests of achieving a just and fair result, procedure and technical considerations must take second place to the paramount object of being just and fair to all parties.
- 2.2 All parties involved in proceedings subject to these Disciplinary Regulations shall act in accordance with a spirit of co-operation to ensure such proceedings are conducted expeditiously, fairly and appropriately, having regard to their sporting context.

- 2.3 The bodies subject to these Disciplinary Regulations shall have the power to regulate their own procedure.
- 2.4 Without limitation to clause 2.3. above, any breach of procedure by the GFA, or failure by the GFA to follow any direction given shall not invalidate the proceedings or its outcome unless the breach is such as to seriously and irredeemably prejudice the position of a Participant who has been Charged.

- 2.6 The Disciplinary Bodies are:
- (a) Match Officials;
 - (b) the Disciplinary Regulations Officer;
 - (c) the Disciplinary Committee; and

Such investigations are conducted by means of written inquiries and, where necessary, the questioning of individuals. Other investigative procedures may also be employed, including but not limited to on-site inspections, document requests and the procurement of expert opinions;

I confirm that I am aware of the duties and responsibilities of an Officer as set out in Gibraltar law and of a football club as set out in this GFA Handbook, of which the above named Club is a registered member of. I have considered taking professional advice on this matter where appropriate.

I hereby declare that:

I am not either directly or indirectly involved in or have the power to determine or influence the management or administration of another football club (including the direct or indirect holding of Control in that other football club) against which the Club may play fixtures in any Competition sanctioned by the GFA and acknowledge that the GFA may exercise its absolute discretion in the application of this Disqualifying Condition to protect the integrity of the game based on any involvement that I may have in more than one club given the position of those clubs in the game.

I am not prohibited by law from being an Officer (including but not limited to being subject to a disqualification order as a director of a Gibraltar registered company under the Insolvency Act 2011 (as amended or any equivalent provisions in any jurisdiction that has a substantially similar effect).

I have not been convicted of any of the following offences, or where I have, this conviction is now considered spent under Part 25 of the Criminal Procedure and Evidence Act 2011);

- an offence involving a Dishonest Act;

- corruption;

- perverting the course of justice;

- committing a serious breach of any requirement under the Companies Act 2014 or any statutory modification or re-enactment thereof;

- any attempt or conspiracy to commit any of the offences set out in paragraphs (i) to (iv) above;

- having an unspent conviction by a court of competent jurisdiction anywhere in the world (including any attempt and/or any conspiracy to commit the same) that result in a sentence of at least 12 months imprisonment but for the avoidance of doubt, not a suspended prison sentence unless that sentence is subsequently activated for a period of at least 12 months for whatever reason;

- any conviction for a like offence to any of the offences set out above by a competent court having jurisdiction outside of Gibraltar.

I have not breached or admitted to breaching (irrespective of any sanction actually imposed on me or whether any Disciplinary Proceedings were brought) at any time of any forms of Misconduct prescribed in this GFA Handbook.

I am not subject to a suspension, ban or other form of disqualification by:

- a Sports Governing Body from involvement in the administration of sport; or

- a professional body in Gibraltar, including by way of example the Gibraltar Financial Services Commission, or any equivalent body in any jurisdiction outside of Gibraltar.

I have not in relation to the assessment of compliance with these regulations (and/or any similar or equivalent statutes of the GFA) at any time:

failed to provide all relevant information (including, without limitation, information relating to any other individual who would qualify as an Officer but has not been disclosed, including where they are acting as a proxy, agent or nominee for another individual or entity); or

provided false, misleading or inaccurate information.

I am not subject to any form of bankruptcy order or any other formal compromise arrangement with my creditors recognized under Gibraltar law or any equivalent provisions in any jurisdiction that has a substantially similar effect, and in each case may be amended from time to time.

I have not been an Officer of a football club that has been expelled by the GFA.

I have not been a Foreign Officer of a football club that has been expelled from a professional or semi-professional league outside of Gibraltar whilst I was a Foreign Officer of that football club or in the 30 days immediately following me having resigned as a Foreign Officer of that football club.

I have not been an Officer of a football club or Parent Undertaking or Group Undertaking of a football club that has entered into a form of insolvency or arrangement (as defined in the Insolvency Act 2011) in respect of which a sporting sanction was applied either whilst I have been an Officer of those companies, or in the 30 days immediately following me having resigned as an Officer of those companies.

I am not an intermediary and/or registered as an intermediary or agent pursuant to the rules or regulations of any member association of FIFA or UEFA.

I have not engaged in conduct outside of Gibraltar that, in the reasonable opinion of the GFA, would constitute an offence of the sort described in Disqualifying Condition (c) if such conduct had taken place in Gibraltar, whether or not such conduct resulted in a Conviction.

I confirm that I am not currently the subject of any current legal proceedings for any of the offences details above. Where such proceedings exist full details are included with this Declaration. I confirm that I shall advise the GFA in writing immediately of the outcome of any such proceedings when determined.
